

**Near-Term Objectives Progress Workshop  
Open Architecture Control for Robotics**

Monday, January 29, 2001  
FANUC Robotics North America  
Rochester Hills, Michigan

Sponsored by  
Robotic Industries Association  
National Institute of Standards and Technology

**Agenda**

- |            |  |
|------------|--|
| 8:30 am    | Registration   |
| 9:30 am    | Welcome and Logistics<br><i>Gary Rutledge, FANUC Robotics North America</i>  |
| 9:35 am    | Meeting Objectives<br><i>Fred Proctor, NIST</i>  |
| 9:45 am    | “Wave 1” Features and Functionality<br><i>Jim Heaton and Jim Wells, GM</i>   |
| 10:15      | FANUC Open Architecture Update<br><i>Gary Rutledge (or designate), FANUC Robotics North America</i>  |
| 10:45      | Break  |
| 11:00      | Integrating Control and Information for Manufacturing Systems using Open<br>Protocols<br><i>Andreas Somogyi, Program Manager, Ethernet/IP, Rockwell Automation</i> |
| 11:45      | General Status Discussion  |
| 12:00 noon | Lunch  |
| 1:00 pm    | Planning Discussions   |
| 3:00 pm    | Break  |
| 3:15 pm    | Planning Discussions   |
| 4:30 pm    | Wrap-up, Action Items, Next Steps  |
| 5:00 pm    | Adjourn  |
